Various pension disbursing banks had been requested on 10<sup>th</sup> November, 2014 to send data of pensioners as it is an important input for policy making. In this connection, a meeting was held on 21<sup>st</sup> November, 2014 at 11:00 AM in the Conference Room, 5<sup>th</sup> Floor, Sardar Patel Bhavan, New Delhi under the Chairmanship of Secretary (Pension, AR&PG) with a view to reviewing the data received from banks and to discuss the problems, if any, being faced by them in sending data.

2. List of participants is annexed. Representatives of State Bank of India, Dena Bank, IDBI Bank and Bank of Maharashtra were not present.
3. The participants were informed all the fields of the format in which data is to be given are important from policy point of view. They were also informed that all banks are required to collect mobile numbers and Aadhaar numbers of the pensioners under the e-KYC norms, as it is an important ingredient of the Digital India initiative of the Government. Secretary (Pension) emphasised that this is being monitored in the Government at the highest level, since for policy purpose, data of pensioners is very important, including where they are located. As the banks are at the forefront in respect of Information Technology, hence all the banks could easily complete the task within the time-limits prescribed.
4. Thereafter, the data of individual banks was discussed and shortcomings/discrepancies in the data provided by banks were discussed.
5. The banks were informed that henceforth compilation of pensioners' data will be a regular feature and it will be reviewed at least once every year. They were advised to obtain Aadhaar number and mobile number from any transaction made by the pensioner and cross-populate the pensioner's database with it. They should also circulate to the pensioners to intimate their Aadhaar numbers at the earliest possible and take initiative in coordination with the UIDAI to get Aadhaar numbers issued on priority to those pensioners who as yet have not received one.
6. The banks agreed to submit the revised data within a week.
7. The meeting ended with a vote of thanks to the Chair.
