To,

All Pensioners' Associations of Current SCOVA.

Minutes of the 20th meeting of Standing Committee of Voluntary Agencies (SCOVA) held on 21.9.2011 under the Chairmanship of Secretary (P&PW) in Conference Room, North Block, New Delhi

The 20th meeting of the Standing Committee of Voluntary Agencies (SCOVA) was presided over by Secretary (P&PW) as Hon'ble MOS(PP), Chairman of SCOVA, was pre-occupied with some other important Government assignment.

2. The list of participants is at Annexure - I.

3. At the outset Secretary (P&PW) welcomed the Members of SCOVA and representatives of the Ministries and the Departments and mentioned that the Department has fulfilled the promise in convening the 20th meeting of SCOVA at least once in a year. Secretary (P&PW) also mentioned that in the next reconstitution of SCOVA, Ministry of Health & Family Welfare would also be included as its official member.

4. Secretary (P&PW) informed the members that a number of clarifications had been issued in the field of Family Pension since last 19th SCOVA meeting which will definitely help the pensioner/family pensioners especially divorced/unmarried daughters, dependent parents, dependent disabled siblings in getting pension. He also informed that the Department has issued the necessary notification on the amendment of CCS (Pension) Rules, amendment of CCS(Commutation of Pension) Rules and CCS(Extraordinary Pension) by incorporating the various decisions taken in the matter from time to time. The members were further informed about the release of Brochure on "Retirement benefits to Central Government Pensioners and Compendium of instructions on retirement benefits during 2009 by the Department. He also reiterated that Pensioners' Portal Website is being constantly updated to fulfil the needs of the pensioners.

5. Secretary (P&PW) pointed out that Pensioners Associations have been a major source of support for DoP&PW and they have been associated with DoP&PW in spreading awareness regarding pensioners' welfare programmes and educating the rights of the pensioners including responsibilities.

6. Shri Umraomal Purohit, Member, SCOVA thanked the Secretary (P&PW). He however mentioned that frequency of the SCOVA meeting may be increased as the number of pensioners have increased. He also felt that after 6th Pay Commission, issues to be discussed have increased and one meeting in a year is not adequate to address all problems. He further stressed that meeting should be for a full day starting in the first half as the number of issues involving the pensioners need to be discussed in detail.

7. Secretary (P&PW) informed the members that as requested DOP&PW had issued the minutes of 19th SCOVA meeting immediately after the meeting and also placed the minutes on the Pensioner Portal Web-site. Further, DOP&PW has also circulated the Action Taken Report (ATR) of the 19th SCOVA meeting as well as the Agenda items of the 20th SCOVA meeting and the same was posted on the web-site of the Department. However, some of the members felt that ATR of the SCOVA meeting and agenda for the next meeting may be issued well before the next meeting. However, the Department informed that they are handicapped due to non receipt of comments and ATR on time from the Ministries/Departments.

(Action : DoP&PW)

8. Thereafter, the Action Taken Report (ATR) of 19th SCOVA meeting (Annexure-I) and Agenda items of 20th SCOVA meeting (Annexure-II) were taken up for discussion.

9. Action Taken Report (ATR) on the points raised in the 19th meeting of SCOVA (Annexure-I)

9.1 Issue of Corrigendum PPO for Pre-2006 retirees and also to communicate the amount of pension as well as Family Pension to be revised consequent to the 6th Pay Commission to Pre 1.1.2006 pensioners. (Refer para 6.1 & 6.2 of ATR)

Secretary (P&PW) informed the members regarding the steps taken by the Department in this regard. However, he expressed his concern over the pace of the revision. Shri Purohit at this point expressed his concern over the slow pace of revision and requested the Secretary (Pension) to intervene in the matter further and asked the various Ministries/Departments to fix a definite time line for the same as otherwise the process of revision may be further delayed. In case, required, additional manpower may be requisitioned by the Ministries/Departments. Thereafter, Ministries indicated their status of revision as under :

- i) Department of Posts informed that 80% work has been done. Out of the total Number of 226000 PPOs, 186000 PPOs have been revised.
- ii) Department of Telecom informed that they could not compile data for the pensioners/family pensioners of the whole country.
- iii) Ministry of Railways informed that they have given 30.9.2011 as target date for the compilation of the work
- iv) CPAO has indicated that out of 645175 cases of pre 2006 pensioners/family pensioners revised PPOs in respect of 75594 cases have been issued.
- v) Ministry of Defence informed that CGDA was monitoring the work. They have to cater to the requirement of 22-23 lakh pensioners. The representative of the Ministry of Defence was asked to make the latest data available.

Secretary (P&PW) requested all the organizations/Departments/Ministries to expedite the same without further delay and update the latest status with the Department of Pension & Pensioners' Welfare.

(Action : Desk E of DoP&PW, CPAO, Ministry of Railways, Ministry of Defence, Department of Posts and Department of Telecom)

9.2 Expediting cases of sanction of secondary family pension with monitoring mechanism at various levels. (Para 6.3 of ATR)

Necessary clarifications have since been issued on 1.4.11, 28.4.11, 3.8.2011 and 2.9.2011 Rule 54 of CCS (Pension) Rules, 1972 also stands amended accordingly. The members felt that checklist of all documents required may be issued so that different ministries do not have different approach. It was agreed that a list of documents to be submitted alongwith the details of family or application for grant of family pension to other than spouse will be made available at the website of the Department. It is provided in this Department's OM dated 21.7.1999 that a self certificate for the income of those who are self employed or are in receipt of income from sources other than employment may be accepted. It was decided to send a copy of OM dated 21.7.1999 to all member Associations as demanded by them.

- 9.3 Same fitment benefit to Pre-2006 pensioners as recommended and implemented in respect of serving employees by the VI CPC. Parity between Past and Future Pensioners. Stepping up of Pension and Family Pension to 50% and 30% respectively. Extension of new benefits granted to the past pensioners (Para 6.4 to 6.7 of ATR)**

Representative from DoPT informed that the Second Meeting of the National Anomalies Committee (NAC) was held on 15.2.11 but these issues were not discussed in that Meeting. It was further informed that all pending issues including those related to pension matters would be discussed in the next meeting of the NAC, which is likely to be held sometime in October, 2011. - 9.4 Additional pension for service beyond 20 years of service. (Para 6.8 of ATR)**

This item was closed.

- 9.5 A suitable alternative to merger of DR after it reaches 50% in view of VI CPC recommendation against 50% DA/DR merger benefit to ensure revision at reasonable intervals. (Para 6.9 of ATR)**

Representatives from Department of Expenditure mentioned that there is 100% neutralization of Dearness Allowance/Dearness Pay against the rise in price index. It is precisely for this reason that the 6th CPC recommended against merger of DA/DR with Basic Pay/Basic Pension at any stage. Shri Purohit mentioned that in the case of serving employees, they get increase in other allowances corresponding to the rise in price index. However, the Commission failed to recommend any increase in the case of pensioners. On this, Secretary (Pension) mentioned that in the case of serving employees also, since the rise in price index is 100% neutralized by increase in DA, no recommendation for any increase in Pay at any stage has been made by the 6th CPC. It is only in the case of other allowances of serving employees which are not regularly increased corresponding to the rise in price index, that a separate recommendation was made by the Commission for increase in those allowances @ 25% after the rate of DA crosses the mark of 50%. Since these allowances are not applicable in the case of pensioners, the question of applicability of this particular recommendation to the pensioner would not arise. Secretary (Pension), however, mentioned that if the Pensioners Associations come up with any proposal as an alternative to the merger of DR with pension, the same could be examined in consultation with Ministry of Finance.

(Action : Desk G of DoP&PW)

The PFRDA Bill has been introduced in Parliament to establish an authority to promote old age security to all citizens in the country. The NPS Scheme has been extended to the general public w.e.f. 1.5.2009.

The staff-side expressed their reservations on the New Pension Scheme. In their view, the NPS is heavily dependent on the stock market and there is no minimum guaranteed return to the subscriber. The staff-side sought to know whether the Scheme was legally valid as a PFRDA Bill was yet to be passed by the Parliament. They also mentioned that there was no sound mechanism to communicate the details of the NPS accounts/wealth to the subscribers.

The staff-side enquired about the role of Department of Pension and PW in implementation of Scheme. It was informed that while the responsibility in respect of NPS continues to remain with Ministry of Finance (Department of Financial Services) Department of Pension and PW has recently been asked to take action to frame rules regulating NPS in respect of Government employees.
